Response to Election/Restrictions

1. Applicant's election without traverse of Group IV, claims 31-40, in Paper No. 6 received March 4, 2004 is acknowledged. Applicant is correct in pointing out the inadvertent error of claim 40 not being included in the original Group IV grouping from Paper No. 5, paragraph 1 mailed February 12, 2004. However, the correct grouping of claims 31-40 was properly listed in Paper No. 5, paragraph 9. The Examiner regrets the typographical error from paragraph 1 and any confusion it may have generated. Pursuant to Applicant's election, claims 1-30 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim.

2. The reply filed on March 4, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not fully respond to the previous Office Action. Applicant's assertion from Paper No. 6, page 2, paragraph 2, is noted, but not persuasive. Applicant elected Group IV from Paper No. 6. However, Applicant did not elect a single species as required from the previous Office Action, Paper No. 5, paragraph 9. Thus, Applicant is required to elect, as previously requested, one single species, e.g. claim 31, from the grouping of independent claims from Group IV, claims 31-40, in order to be fully responsive to Paper No. 5. Also, Applicant is reminded to provide where support for the elected species invention is found from the specification. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
